*MY DEAR GRADUATES:*

Recently, we have seen the collapse of Communism in the USSR and Europe. A new world order has emerged that speaks of peace initiatives where we no longer live under the threat of a Nuclear Holocaust; however, many problems remain, such as different groups fighting because their beliefs and cultures are in conflict. In our own country, we have seen the problems of society explode into the riots of Los Angeles, people feeling disenfranchised, an economy that cannot seem to address the needs of the poor.

In spite of this, I see a light not because we live in the greatest country on earth but because I have seen you as young boys and girls coming from different backgrounds and cultures, working together to fulfill your dreams. You have changed Lowell High School from a large urban school to a large cosmopolitan high school, by definition, a school free from local and parochial prejudices. You have proven by your college acceptances, which represent some of the finest schools in our country, that you not only have the academic skill, you also have a sense of community. By your actions at Lowell High School, you understand what needs to happen for a society to work and live in harmony.

I ask that you take those skills that you have acquired at Lowell High School into your different fields of endeavor, that you prepare to teach those about you how to live in this multicultural world — that you work with the disenfranchised, that you use your academic skills to free us from our economic and social ills.

I WISH YOU GOOD HEALTH AND SUCCESS ...

# RETIREES

Five faculty members left Lowell High School with the class of 1992 — Mrs. Ruth Gagnon, Mr. Philip Dancause, Mr. Thomas Grady, Mr. Edward Lynch and Mr. George Wood. Each served LHS well. Mrs. Gagnon taught secretarial classes and trained students for work in the personnel office. Mr. Dancause was noted for his CPR, swimming and lifesaving classes. Mr. Grady had been a Driver Education teacher, a physical education instructor and was familiarly known as "Doc", thanks to his years as the school athletic trainer. Mr. Wood was a teacher of business subjects, mainly General Business and Business Arithmetic.

We thank them for their devotion to our school and wish them good health and much happiness in their retirements.

# SCHOOL SONG

Lowell High School, Lowell High School,
May we ever stand,
Honest, faithful, and courageous.
Loyal to our land.

Lowell High School, Lowell High School,
We will all be true
To the ideals you taught us,
Through and through.

# IN MEMORIAM

tribute to her, we quote Robert Frost:

"NOTHING GOLD CAN STAY"

Nature's first green is gold,
er hardest hue to hold,
er early leaf's a flower:
ut only so an hour.

hen leaf subsides to leaf.
o Eden sank to grief,
o dawn goes down today.
othing gold can stay."

The class of 1992 was stunned during our sophomore year when Colleen Creegan died suddenly at a cheerleading competition, doing something she loved. Our school library has been enriched and beautified with books and prints donated by her family for the students at Lowell High. Scholarship awards have also been presented in her name and memory. Colleen was a golden girl.

# ARTHUR'S DINER

You grab your coat and leave the school,
Cross the street and start to drool.
Down the tracks to Arthur's we go.
Dig deep in your pockets and find some dough,
Open the door and smell the grill,
Order your food, give Dotty a bill.
Just as you're about to eat,
Is that? . . . Yes! It is a seat!
You start to run, but forget your drink.
Trip over everything but the kitchen sink.
You eat and eat 'til you get your fill
Of those delicious, greasy Arthur's Boot Mills.
You sit around after you're done,
Just to talk a bit and have some fun.
Glance at the clock. It's time to leave.
God, I spilled ketchup on my sleeve.
We fly past the tracks and up the stairs,
Run by a couple of freshman squares.
Back to the locker, safe and sound,
Yet another day we couldn't be found.
Until tomorrow, it just couldn't be finer,
To get back and grab a Boot Mill at Arthur's Diner.

# IT'S SO HARD TO SAY GOODBYE TO YESTERDAY

How do I say goodbye to what we had?
The good times that made us laugh outweighed the bad.
I thought we'd get to see forever, but forever's gone away.
It's so hard to say goodbye to yesterday.

I don't know where this road is going to lead.
All I know is where we've been and what we've been through.
If we get to see tomorrow, I hope it's worth all the pain.
It's so hard to say goodbye to yesterday.

And I'll take with me the memories to be my sunshine after the rain.
It's so hard to say goodbye to yesterday.
